You are a researcher studying cell phone use among college students. Specifically, you want to see if there are usage differences between genders. You have collected data on this and now need to report it in an APA style paper. This paper is worth 15% of your overall grade.

**DUE: Monday, December 4, 2017 at the beginning of class. Have the paper already printed and ready to submit before you come to class.**

Any paper submitted after Monday will be penalized 50% per day.

Required sections in APA format:

- Title Page
- Abstract
- Introduction (minimum 2 pages)
  - Must cite at least 7 peer-reviewed research articles
- Method (as long as necessary to properly describe your methods)
  - Include subsections with proper headings:
    - Participants (include demographics about participants)
      - _____ Men, _____ Women
      - Average age: ________, SD _______ years
      - Ethnicity:

<table>
<thead>
<tr>
<th>Ethnicity</th>
<th>n</th>
</tr>
</thead>
<tbody>
<tr>
<td>African American</td>
<td></td>
</tr>
<tr>
<td>American Indian</td>
<td></td>
</tr>
<tr>
<td>Asian</td>
<td></td>
</tr>
<tr>
<td>Hispanic/Latino(a)</td>
<td></td>
</tr>
<tr>
<td>Middle Eastern</td>
<td></td>
</tr>
<tr>
<td>Native Hawaiian</td>
<td></td>

<tr>
<td>Other</td>
<td></td>
</tr>
<tr>
<td>Mix</td>
<td></td>
</tr>
<tr>
<td>Declined to respond</td>
<td></td>
</tr>
</tbody>
</table>

- Include this sentence at the end of your participants section:
  - Participants were treated in accordance with the “Ethical Principles of Psychologists and Code of Conduct” (American Psychological Association, 2002).
- Materials
• Cell Phone and Social Interaction Survey
• Procedure
  • Participants were shown the informed consent
  • Participants filled out the Cell Phone and Social Interaction Survey
  • Participants were debriefed
  o Make sure you describe each section clearly enough that allows someone to replicate the study
- Results (as long as necessary)
  o Include the necessary subsections for your data
    • Descriptive
      • Average cell phone dependence score of all participants: ______ ; SD = ______
      • Average Male cell phone dependence score: ______; SD = ______
      • Average Female cell phone dependence score: ______; SD = ______
    • Inferential subsection
      • \( t(____) = ______, \ p = _____ \)
- Discussion (minimum 1 page)
- Reference Page
  o Must include at least 7 peer-reviewed journal articles
  o Include:
